**COMPLAINT**

CAPITAL ONE FINANCIAL  
CORP

Defendant.

TO THE SUPREME COURT OF THE STATE OF NEW YORK

The complaint of the plaintiff, MOHAMED ROSHAN, respectfully  
shows and alleges as follows:

Plaintiff Mohamed Roshan, born on 01/07/1992. who is 33 years of age is an American Indian/ Caucasian, a state national/ Sovereign who is not a minor. I am a resident of New York State.

The defendant is Capital One Financial Corporation headquartered in Mclean, Virginia. The Plaintiff Mohamed Roshan had gotten a Capital One Platinum card in March of 2022. In 2023 I, Mohamed Roshan had learned about Performing on my bill by utilizing the security interest that I previously gave to Capital One when I had submitted an application to Capital One to set off all obligations owed to the principal.

I had performed on my Capital One bill. I sent them a payment via mail to their P.O. Box address. Later that week when I had gone to a convenience store to purchase an item, my credit card wasn't working. When I called Capital One they didn't give me a reason to shut my card down. They told me to discard both of my credit cards and that i will get a letter by mail stating why my card was canceled. When I got the letter from Capital One it didn't state the reason why my card was declined/cancelled. It just said, " We are closing this account because activity on this or another account is not consistent with our expectations for account usage and violates the Capital One Customer Agreement.". They didn't tell me which terms and conditions, they didn't give any explanation. Please show Documentary evidence for why you have shut down both of my credit card accounts: 5156 7689 7285 8727 (Quicksilver) 5178 0594 8379 6315 (Platinum).

How can I be rejected for my credit when my application is the prepayment? Federal Reserve Act section 16 part 1 explicitly states that the board of governors is the only one that could decline my credit. My decline letter did not come from the Federal Reserve Board of Governors. According to Federal Reserve Act, section 16 part 1 American Express has processed the security application and turned my application into a receivable. I'm coming forth to utilize the security Interest that I previously gave. Federal Reserve Act section part 2 states whatever that I applied for is how much my application is worth. In no event should the security collateral be less than the federal reserve notes applied for. The banks are the borrowers, and I'm the creditor according to the Federal Reserve Act. I'm exercising the rights to my security If you are declining me this is considered securities fraud. I'm not a minor and I have the capacity to contract.

Capital One needs to reactivate my credit cards or give me new credit cards and give me back the dividend payments and interest that is owed to me back into my account. I would also like all my accounts to be Open-ended.
